

CA16 Air Conditioner Systems with Puron® Refrigerant

turn to the experts™ 

Enjoy High-Efficiency Comfort for Your New Home

Sustainable Innovation

Carrier, the world's leading indoor comfort innovator since 1902, is a great choice for homeowners passionate about green technologies. From manufacturing practices through highly efficient products that use environmentally sound Puron® refrigerant, Carrier is committed to offering you environmentally sound solutions.

Efficiency

Carrier specializes in creating a customized home comfort system tailored to your needs with our broad selection of heating and cooling products. Your builder has selected the quality-built CA16 air conditioner as a solid choice for extra energy efficiency, reduced environmental impact and monthly savings. Your options include:

- 14.5 and 16.0 SEER systems recognized by the U.S. Government's ENERGY STAR® program for low-energy usage

Technology

No matter which Carrier® system you choose, you can settle into your new home with confidence knowing it is designed and backed by the world's foremost comfort innovator. We have taken the lead in developing technologies that deliver the comfort you deserve while staying ahead of industry trends and global initiatives.

- *Environmentally sound refrigerant:* Puron® refrigerant is environmentally sound and won't deplete the ozone layer. The Carrier CA16 air conditioner with Puron refrigerant delivers excellent reliability and proven performance.
- *Less refrigerant, same great comfort:* Our coils use 7 millimeter diameter tubing so we can provide the same performance you expect using less refrigerant.

Quality

Every product we make includes top-quality materials and features built-in to provide lasting, durable operation. The CA16 features:

- Durable 7 millimeter copper tube
- Quiet, smooth running scroll compressor
- Dense grill for coil protection, easy cleaning and optimal air flow

In addition, Carrier products undergo a rigorous quality control regimen. From performance and quality testing during product development to our exclusive five-step, 100% run testing during production, we don't miss an opportunity to make sure our products meet the toughest requirements of all: yours.

Limited Warranty

To the original owner, the Carrier CA16 air conditioner is covered by a 10-year parts limited warranty upon timely registration of your new equipment.* Ask your Carrier dealer about optional labor warranties.

*Warranty period is five years if not registered within 90 days after closing. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate at carrier.com for complete details.
