

**DEHUMIDIFIER** AUTO-DRY

up to 1,000 sq.ft. coverage

# Model: DH50K1W

- Bucket full indicator avoids overflows
- 3 Modes Auto, Continuous, Manual
- 2 Fan Speeds (High, Low, Auto)
- Low-temperature Operation (38 deg F)

## Low noise airflow system

High-performance centrifugal fan ensures quiet operation, achieving just 46 dB(A) with the fan set on "Low".

## **Energy Efficient**

Energy Star means its more energy efficient and helps reduce your utility bill.

#### Filter Indicator

Washable filter helps to reduce bacteria, odors and particles

### Warranty

2 Years Parts & Labor

# Control Humidity - Helps keep your home conveniently dry, fresh, and quiet

The Hisense DH50K1W Energy Star 50-Pint 2-Speed Dehumidifier quietly collects water into the slide-out internal bucket, or can discharge the water via connecting a garden hose (not included) through the side of the cabinet. Reliable and eco-friendly this dehumidifier can operate at temperatures as low as 38 degrees Fahrenheit. Three operating modes (manual set, continuous and auto dry) and the very low sound level make this a versatile choice. Additional features include a programmable 24-hour on/off timer, adjustable humidistat, and full-tank alert/shutoff.

up to 1,000 sq.ft. coverage
